The Pursuit of Happiness . . .

It is not universally admitted that the preacher has a right to enjoy himself. He should enjoy God, which is often grudgingly admitted to be the chief end of man, but not the main business of the clergyman.

And yet it is hard to see how anyone can make others happy if he is unhappy. At least, the avoidance of foreseeable unhappiness ranks as a concern of the ministry.

Take arms against a future of uncertainty by using the help afforded by the Presbyterian Ministers' Fund. It will pay in dividends, both material and intangible. *Write to:*

$1 (with eligible application) puts it into effect!

Now offered by

MINISTERS LIFE & CASUALTY UNION

This unusual offer is made to all professional religious workers — and that includes ministers, seminary students, religious education directors — under 65 years of age.

The "Criterion" policy pamphlet gives you a long list of benefits. The most important ones include: $150 a month, up to 24 months, for disability by accident . . . $150 a month, up to 10 weeks, *extra* if hospitalized by injuries . . . $5000 if you die by accident . . . $5000 for loss of two limbs or eyes by accident.

What does it cost? Your first payment is only $1 — and it pays all costs for two months. After that, it's only $3 per quarter — $12 a year. (If over 60, cost is $16 a year.)

After checking the policies issued by other reliable companies in the U. S. and in Canada, our survey showed that this is the lowest cost — the most for the money — the greatest value ever offered. Andover Theological Seminary is affiliated with The Newton Theological Institution forming Andover Newton Theological School, located at Newton Center, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provide for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

Andover Newton Theological School students enjoy the privilege of taking work in Harvard open to theological students without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country, but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B.D., S.T.M., and M.R.E. The B.D. is granted after four years study to students who have had a college course. The M.R.E. is granted to students with similar preparation after two years study. The S.T.M. is granted after at least a year of graduate study and the presentation of satisfactory thesis.

BACHELOR OF DIVINITY COURSE

A three-year program of theological studies is offered leading to the B.D. degree. The A.B. degree from an accredited college, or an equivalent degree, is a pre-requisite.

PRE-THEOLOGICAL COURSE

In cooperation with the College of Liberal Arts of the University of Maine, the Seminary offers a two-year pre-theological course to mature men with experience in other fields of endeavor and to a limited number of younger high school graduates. The curriculum consists of subjects recommended by the American Association of Theological Schools. After successful completion of the pre-theological course students are admitted to the three-year course of theological studies. A diploma is granted for satisfactory completion of this five-year program. Graduates may enter New England colleges with advanced standing for the A.B. degree, the granting of which qualifies them for the Seminary's B.D. degree.

Expenses are unusually low. Campus apartments are available for married students. There are many opportunities for service as student-pastors in neighboring churches. For catalog and further information, please address the President.

THE CONGREGATIONAL CHRISTIAN HISTORICAL SOCIETY

THE PURPOSE OF THE SOCIETY

The purpose of the Congregational Christian Historical Society is to cultivate a deeper interest in the history of the Congregational Christian Churches in all its aspects, and a greater awareness of the importance of Congregational Christian recorded history as a source of information and of inspiration, and as a basis for future action.

THE PROGRAM OF THE SOCIETY

The program of the Society is carried forward by the officers of the Society, with the assistance of such committees as the Board of Governors have established, and operates in the following areas:

1. **The creation of records:** To encourage the writing of accurate and helpful records by church clerks, ministers, and by all other officials and individuals who may have matters of business or of interest to record.

2. **The preservation and organization of records:** The indexing of extant material in various libraries, state and national, noting exactly where valuable material is now preserved, and the promoting of searches for other existing material now unknown.

3. **The use of records:**
   a) The promotion of anniversaries and other such occasions as will help the churches and the agencies of our denomination to become aware of their historical resources;
   b) To encourage and to promote the scholarly use of historical materials and the production of historical works which will help to give a mature foundation to the Christian faith in our churches;
   c) To work for the preservation of such monuments, historical sites and other memorials as may be important in our history;
   d) To advocate the inclusion of historical papers and lectures in programs of Associations, Conferences and national meetings.

ANNUAL STATISTICS OF THE CHURCHES

In the following pages each church is listed under the Conference or Convention in which it is enrolled. These Conferences and Conventions do not always follow state lines. If you have difficulty in locating statistics for a particular church, consult the Index and look there for the state in which the church is located. The Index lists each page of the Year Book on which churches in that state appear.

The statistics are collected by the Registrars of the conferences and compiled in the office of the Year Book Dept. of the General Council. They are of date of January 1, 1954, and cover the year 1953. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10 is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same **to the Registrars of the conferences.**

The tables are *not a postal guide.* For **full names and addresses of ministers** refer to alphabetical lists in the back of the book. Names of church clerks, Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy-faced** type. If this postal word is an adjective it goes with the preceding name, **e.g.,** Newton, **West,** signifying West Newton.

Abbreviations in schedule headings are:

"Ord." — Ordained

"Cld." — Called

"Ab." — Absentee

"C." — Confession

"D." — Death

"L." — Letter

Reference marks are used as follows:

[ ] Around a pastor's name signify he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)

i Pastor installed by Council.

r Pastor recognized by Council.

c Church School membership includes Cradle Roll.

x Includes cost of new building or improvements.

— No answer can be given.

Contribution amounts to less than 50 cents.

* Value of church property includes parsonage.

★ Per Capita (based on total membership) paid in full by church.

§ Church Building Loan Fund not credited on apportionment. (The figures reported are the receipts to date of Jan. 10, 1954.)

‖ When a church has made no report, figures from the previous Year Book are inserted for Total and Absent Members, Average Attendance, Church School and Young People's Organizations, Home Expense and Property Value and marked with ‖ before Total in Members' column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Church School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended will be given at the end of each conference schedule.

The Woman's Gift is included in the apportionment columns of each state. The apportionment figures in the schedules are those reported by the state treasurers.

The Summaries give important data by conferences in Table I and national data by years in Table II. The less important items appear in the Supplemental Summary. Additional totals appear in footings of conference schedules.

For last minute revisions see page following Ministers in Full Standing list.

Send change of address and pastorate to your Conference and to the Year Book Dept. of The General Council, 287 Fourth Ave., New York 10, N. Y.

The Association, to which a Congregational Christian licentiate, candidate or lay preacher belongs, may be had upon application to the Year Book Department, 287 Fourth Ave., New York 10, N. Y., or to the state conference office.

CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches. (Local ministers with limited ordination will be found at the end of this list.)

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in Congregational Christian pastorates are indicated by the inclusion of ordination date (or by a hyphen (-) if ordination date had not been reported) after the address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place. If a pastor does not appear in the schedule of the state in which he lives, he may have made a recent change in pastorate. (See Last Minute Revisions following this list.) Page numbers are given for those whose names appear on pages 5-17, and in the Necrology, pages 24–31, and in the record of 1953 Ordinations, pages 234–236.

An asterisk (*) before a name indicates that the minister is not now reported by a Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified, or is unknown.
